

Distinguished historian **Barnet Schecter** *to lecture in Dobbs Ferry*

THE DOBBS FERRY HISTORICAL SOCIETY

is very pleased to
announce a lecture by
acclaimed historian and
author, Barnet Schecter

**Sunday, November 7
at 2 pm**

Dobbs Ferry Public Library,
55 Main Street

Mr. Schecter will speak about his new book, *George Washington's America; a Biography through His Maps*.

From his teens until his death, the maps George Washington purchased and drew were always central to his work as surveyor, military leader, private citizen, and statesman. *George Washington's America* offers important new insight into Washington's character and his transformation from private citizen to founding father.

Mr. Schecter is also the author of *The Devil's Own Work*, which deals with the Civil War draft riots in New York City, and *The Battle for New York: the City at the Heart of the American Revolution*.

All are welcome. Admission is free.
