

Federal Technical Assistance Workshop

Wednesday, May 18, 2011

[Register online](#) to reserve a seat today!

Onsite registration opens at 8:30 a.m.; space may be limited.

Event begins at 9:30 a.m.

Radisson Hotel Corning • Finger Lakes Ballroom

125 Denison Parkway East • Corning, NY 14830

Join ARC and USDA for a free day-long technical assistance workshop:

- Hear from at least 6 different Federal agencies about current grant programming available to local governments, economic development organizations, community colleges, nonprofits, etc., and financing available to small businesses.
- Learn about new Federal agency collaborations.
- Learn strategies and tips on how to apply for grants or financing and how to avoid common application mistakes.
- Hear about local grantee success stories.
- Network with representatives from participating Federal agencies.
- Discuss project ideas with potential funders.

Participating agencies include:
